ABOUT MOROCCO

A motorcycle paradise !

Morocco is located in North Africa, in a triple junction between Atlantic, Mediterranean and the African continent, the capital city is Rabat, and Marrakesh as a touristic hub.

the country has a rich history and culture, influenced by the indigenous Berber and Arab populations, as well as subsaharan originated inhabitants. The official languages are Arabic and French, but English and Spanish are widely spoken. the majority of populations are Muslims, Jewish in the second range then Christians.

Morocco is known by its diverse landscape and geological features, which are manifested in the Atlas range and peri-saharan areas, the coastline extends for more than 2500 Km with breathtaking beaches and littoral cliffs. The Moroccan cuisine is ranked one of the top ten in the world, popular dishes are Tajine and couscous, available along the way.

Morocco is known as a motorcycling paradise, for its clear tarmacs that crosses the Atlas on more than ten mountain passes that goes up to 2000 m, as well as the long and unterminal dirt tracks known for hosting various rallies, including the original Dakar rally.

OUR CONCEPT

Motorcycling is not just getting from point A to B, it's about the places you go, the people you meet, and the experiences you learn, a new concept created by bikers for bikers, The South Ride has hand selected his hosts and itineraries that can accommodate a traveling bikers need, bypassing the best riding routes and the most prominent cultural, historical and geological stops through a set of On-road/ Off-road tours.

2 590 €

escape to Atlas is an extraordinary tour to get into the core of Atlas mountains, this one week motorcycle adventure goes through High and Middle Atlas in Morocco.

We kick-start our adventure as we ride from Marrakech toward Middle Atlas, navigating through cedar and monkey forests. Leaving the high plateaus behind, we head toward the Ziz palm valley till we reach the golden dunes of Merzouga, where we'll have the opportunity to catch sunset on a camel ride. As we continue on the high nomadic steppes, we arrive to the picturesque deep canyon of Todgha before we settle on the world famous valley of Dades. The Tichka mountain pass awaits, twisty roads on a well-maintained tarmac corresponding to the old caravan route connecting North to sub-Saharan Africa. Free time to explore the narrow streets and the colorful markets of the old medina of Marrakech, a last night before we lead you back to fly back home.
